Has time caught up with your metal roof?

Rusted decks. Leaky seams. Expensive repair bills.

Wouldn't it be great if you could find a long-term solution to your metal roof problems that could end your maintenance headaches once and for all?

Introducing the perfect fit for metal retrofit.

With a Duro-Shield® metal retrofit roofing system, you can be assured of:

- **Solid protection from the elements.** Your Duro-Shield roofing system is custom prefabricated in our factory for a watertight fit, making your roof leak-proof and virtually maintenance-free.
- **Safe, simple, and efficient installation.** The Duro-Shield roofing system is installed over your existing metal roof, with no heavy equipment, dangerous chemicals or expensive tear-off required, and little or no disruption to your daily business operations.
- **The best warranties in the business.** Duro-Last is so confident in the durability of our roofing systems that we protect commercial and industrial installations with the best warranties in the industry. Our standard, comprehensive 15-year No Dollar Limit (NDL) warranty is transferable, has no exclusions for ponding water, and provides coverage against consequential damages that result from defects in the Duro-Last material and/or installation workmanship. Duro-Last also has 20-year warranties available.
- **Proven performance.** Over 1½ billion square feet of roofs in North America are covered by roofing systems from Duro-Last®, the industry leader since 1978.
- **Cut your energy costs.** The Duro-Shield white membrane is highly-reflective throughout its life span on the roof, saving significant energy and money for building owners all over North America.
